Dear Parent,

Congratulations on being selected for ODM!!!

Hope you are staying at home and staying safe. It is often said that extra-ordinary situations lead to extraordinary actions. With the current Covid-19 crisis looming over the country, we have organised an online entrance test for those who are not able to appear or last two OSAT to Covid crises.

And here we are publishing the result with all the details of admission.

Before going through the result, note the following:

- a. Students selected for admission should go through the admission procedure as mentioned below.
- b. The Scholarship Interview will be held on **21st May, 2021** i.e. Friday from 10 am onwards
- c. Students selected for scholarship interviews will get a call from the admission counsellor for a scheduled time. Please, note the interview will be scheduled via online mode.
- d. The questions will be mostly of the competitive level.
- e. The interview will be conducted through **Google Meet** (An App) available on Play store of all Android/ iOS Phones or can also be accessed through the laptops at meet.google.com (*Front Camera is compulsory*)
- f. Within a particular time slot, students have been scheduled and in that time slot, the interview would happen one after the other (*in a serial wise manner*) as mentioned.
- g. The child needs to be ready and available throughout the timeslot. As soon as the previous student's interview is over, the child would be called by an Admission Team's person and asked to enter the meeting code shared below and get ready for the interview. The child should note that he/she is not allowed to witness other students' interviews and would be removed, if such a thing happens.
- h. No rescheduling of the interview slot is allowed. Once the student misses the interview, the student will miss out on the scholarship opportunity.
